Cassy Tully

FINE ART

I have had the privilege of watching Cassy flourish as a golf artist. She fully honors the spirit of each championship, creating original art that captures the history and drama of each golf course. Cassy has provided fine art and excellent experiences for the PGA Championship, PGA Reach, the Ryder Cup, along with work for private clubs and her ongoing philanthropic initiatives. I am pleased to recommend Cassy, a truly talented artist.

Before the 2020 season, the Milwaukee Brewers were making plans to celebrate our 50th Anniversary. I noticed Cassy's work in the golf industry through a few of her posts on LinkedIn, was very impressed with the quality of her art, and thought it was a good opportunity to work with her on a 50th Anniversary piece.

I met Cassy at her studio and liked her work even better in person. We commissioned Cassy to create a piece celebrating the Brewers' 50 years in baseball and we're very happy with the results. She created two nearly identical pieces that we presented to Brewers' owner Mark Attanasio and former owner Commissioner Emeritus Bud Selig, in addition to replicas that we shared with Brewers' staff. Working with Cassy was an absolute pleasure and I look forward to the chance to work with her in the future.

Jason Hartlund
Milwaukee Brewers
Chief Revenue Officer

Thanks for being part of our event Cassy! Your wonderful art adds something truly special. Over 200 Golf Professionals who attended our last two Dealer Conferences will now have your work hanging in their shops, offices, and homes! Awesome!

Cassy's artwork comes to life through her relief-style painting and tells a unique story. Working with her is a true collaboration, and she is incredibly conscientious and in-tune with the goals of her clients.

I had the great pleasure of meeting Cassy Tully in the spring of 2022. She was visiting my home course, Yellowstone Country Club in Billings, MT. Ms. Tully was gathering information about our Robert Trent Jones, Sr.-designed course to paint a masterpiece commemorating The Roundup, our annual member guest tournament.

Cassy was such a joy to be around and, my word, what an artist!!! Her two paintings hang prominently in our new clubhouse. They beautifully depict our course and landscape. And signed prints of her paintings were a prize for the member guest participants. Everyone loved this memory of the tournament.

I could not give a higher recommendation to any event or fundraiser to consider Cassy as part of your event by including her beautiful paintings. What a great talent. Fore!!!!!

Board of Directors

We had the pleasure of hosting Cassy here at The Cliffs at Mountain Park, for our annual Men's Member-Guest tournament called "The Riverside." Cassy and I worked closely for about 2-months getting all ninety-six tee gifts ready on-time. She worked incredibly hard to get the project done on time and make every touching point extra special.

Each member and guest walked away with copy of the original painting enclosed in a custom designed frame. One of the most memorable parts of the experience was having Cassy here in person to sign, number and personalize each print for the participants. The members/guests enjoyed the personalization and the opportunity to meet Cassy as our artist. I would highly recommend Cassy for any golf related project you have in mind. She will deliver a great product and experience that your members/guests will value for a lifetime.

When our new ownership group came in to start the transition to run the business, we wanted to thank the founder of Cooperstown All Star Village for his vision, dedication to the wellness of the youth baseball player, and the countless years of caring for the local community of Oneonta.
I knew Cassy and her amazing vision to capturing the essense of her subjects would be perfect to design a special gift for The Patton's.

The creativity of using actual dirt from our infields into the original logo design that Marty created himself was absolutely brilliant!

Her final artwork reflects perfectly on the moment that we plan to dedicate to Marty and his passion. Thank You Cassy...absolutely brilliant and way beyond our expectations.

Rick Abbott
Cooperstown All Star Village
CEO

My wife and I have known Cassy for a handful of years and have commissioned a painting of our home club, Flossmoor Golf Club, which we absolutely love. Cassy is a very talented artist, but what we like best about her is her passion for helping others. She has become involved with the Western Golf Association and supports their Evans Scholar project with her time and talents. She also works with the Veterans Golf Association and helps them raise funds for their truly important mission. We highly recommend her art, but even more highly recommend Cassy as a person.

I had the pleasure of Meeting Cassy Tully a couple of years ago at the BMW Championship at Caves Valley Country Club in Baltimore.

As soon as we met I could see and feel her energy and enthusiasm for her work while she was signing her prints of the signature hole of the golf course.

We were so impressed we commissioned Cassy to paint a masterpiece for The Zaching Against Cancer Foundation, which raised a tremendous amount of money. Cassy Tully, you are the best!
