Cassy Tully Artwork

Cassy Tully's sports and lifestyle artwork captures iconic destinations, timeless memories and rich history. Created in her signature relief-painting technique, each painting blends contemporary painting methods with historic ceramic relief sculpting techniques. She utilizes acrylic gel mediums and fine art sand to manipulate paint like clay, increasing the level of relief and illusion of perspective. Iridescent color provides a subtle play of light.

Championship Art

Cassy creates an original painting, which is reproduced as official posters, prints and Collectors Edition ornaments. During the tournament, Cassy is on-site for print signings and merchandise personalization.

Examples include 2019 BMW Championship, which takes place at Medinah Country Club in Medinah, IL.; 2018 BMW Championship, hosted by Aronimink Golf Club, Newtown Square, PA.; and 2015 PGA Championship, held at Whistling Straits in Kohler, WI.

Art Auctions

Auctioning a Cassy Tully original masterpiece at a special event or online auction provides an enriching opportunity to elevate your cause or corporation.

Examples include *2015 Palmer Cup*, signed by Arnold Palmer and sold at a live auction benefitting the Arnold Palmer Cup Foundation; and Aurora Healthcare NICU and Palliative Care.

Live Painting

Cassy begins a signature painting in advance, then makes a special appearance, finishing the painting before a live audience. From black-tie galas to school visits, Cassy engages guests in her creative process. Celebrities or guests may add a brushstroke or sign the painting to bring value and create an enriching event experience. Painting may be auctioned.

Examples include the Professional Football - Hall of Fame "Salute to Greatness" painting signed by fourteen Hall of Famers; visits to Holy Apostles Catholic School; Milwaukee and Chicago Heart Ball art benefitting the American Heart Association; and *Sharon S. Richardson Community Hospice - 10th Anniversary*, auctioned to benefit the hospice.

Commemorative Art

Celebrate history and preserve your heritage with a commemorative print edition and licensed artwork. Cassy is commissioned to create an original work of art for your auction or art collection. A commemorative print edition of this artwork extends its significance, creating options for signatures. From the original painting, artwork may also be licensed and applied to merchandise, swag or other products.

Examples include Desert Mountain Golf Club dual-signed prints with Jack Nicklaus; *HSHS St. Nicholas Hospital 125th Anniversary*; and Kohler Corporate Air.
